I will send some pitchers. I have the only know photo of William Bill Claxton. It is a old tin type and is need of repair. I might can have my wife take a pitcher of it. Luther looks like his father and my brother Buford Jr. I only knew of Mike and John. Mike died when I was 4. My dad pass away in 1998. Tell Elizabeth that Buford had 11 children and all of us are still living. I have a young siste whom lives in Richmond Ky. Do you have any other information on any of Luther Brothers or Sisters. I think we have alot of relatives of unknown. Claxtons were a private type of people who didnt talk much about their past or family. All of the people who can share information is pass on. John Luther brother has a daughter still living in Michigan and I speak sometime with her. Most Claxtons were coal miners and served the Lord. I have some information and pitchers I can download. I am 52 yrs old now. My baby brother lives in the old home place were we grew up at Eagan. It is around 92 yrs old. John and his mother Mary died in the house and he use to have a beer joint because he had one arm. I live at White Oak Tn just 3 miles from Eagan. Jellico Tn is 7 miles from our home. It is just off I75. On Tn KY line. Danny

Thanks Danny. Here is my connection. Luther Claxton first married Elizabeth Rae in Lexington, KY in 1912 and had 4 children. They were divorced in 1919. Only 2 of the children grew to adulthood, and only 1 of them had a child. Elizabeth Claxton, Luther's daughter, married Arthur Landolt in 1936. Both Elizabeth and Arthur were ministers in the Disciples of Christ Christian Church. Their only daughter, and Luther's only granddaughter, Elizabeth Landolt, is my wife. Luther's wife, Elizabeth, and his daughter, Elizabeth, are both buried in the Lexington, KY cemetery. Luther and his second wife, and a son by his second wife, are buried in McAllen, TX.

I have attached a picture we have of Luther. We would very much like to have a picture of Mary and William if you have them. Also would like a picture of Mary's grave in Eagan and one of William's if you can find it.

We live just north of Cincinnati. We would like to see Campbell County, but due to my wife's health problems she can't travel that far. I will stay in touch. Thanks.

I don't know if you are familiar with Find A Grave, <http://www.findagrave.com/> It is a good site for information and pictures. Here are Luther's, his son & 2nd wife, and a son by his first wife: <http://www.findagrave.com/cgi-bin/fg.cgi?page=vcsr&GSvcid=243484> You can become a contributor for free and create these. If you aren't comfortable with it, I would be glad to create them.

Dan,

I have come across a cousin of yours. It is through a brother to your grandfather Mike. That brother being Luther. I have been communicating with Winston Cochrane whose wife is a granddaughter of Luther Claxton. If you are interested you can e-mail him. (see e-mail address above)

I plan to have an update to the family chart posted in about two weeks. I have some additional family info for some of your other cousins as well as the newly obtained info for Luther's line. I also will have a major update in how Caswell is related to Constantine.

Did you get some tombstone pictures that you could share? Also is there a grave site for the William Henry Claxton that was killed in an ambush.

Winston,

Dan still lives in the same area of TN where the family has lived for many years.
